

Course Title: Russian integration into the system of global governance

Instructor: V.Zuev, E.Osrtovskaya

Department: WEWP

Email: vzuev@hse.ru

Target Audience: This course is designed for Bachelor students with concentrations in Political Science and International Economics for the WEWP Faculty.

Course Description (*no less than 200 words*)

- Aims: To present the most acute issues of the Russia interaction with major global institutions and regional organizations.

- Course as a part of the study programme, brief analysis of the course in comparison to Russian and foreign academic experience: Most of the courses in Russia and abroad are dedicated to theories of global governance. This course is covering not only theories, but concrete and most recent practical issues of Russian interaction with the above mentioned actors.

- Prerequisites: Basic knowledge of International Economics, as well as the knowledge of Basics of international relations is a prerequisite. 2 years of Bachelor studies on related issues will meet the requirements.

- Intended Learning Outcomes

- Assessment/s – *formative, summative*: Attendance in the classes and participation in discussion sessions are required. Final grade is calculated from intermediate grades for:

- Lecture attendance - 0,3;
- Participation in the discussions and responses in the class - 0,3;
- Power point presentation on the chosen topic - 0,4;
